

FLORIDA STATE FAIR TO FEATURE HIBISCUS

For the fourth year the Florida State Fair will be the scene of an Hibiscus exhibit and judged show. All persons who have Hibiscus are invited to participate in the show. Membership in any organization is not necessary. Local entries close at 10:00 A.M. and out of town entries will close at 10:30 A. M. Any person who wishes to exhibit bloom for competition and cannot come in person may send them in by any suitable carrier and they will be entered for them, provided they arrive before entry closing time.

First, second, and third awards will be made in Amateur and Commercial classes for each variety which so merits it and there will also be two sweepstakes awards, in addition to Tri-colors for best single, semi-double, double and miniature. There will also be one Tri-color for the best seedling in show. An engraved silver tray will be awarded for the best Amateur and the best Commercial blooms.

Any person carrying Hibiscus blooms will be admitted free at the gate until 10:30 A. M. This entitles all to not only participate in the show, but also affords an opportunity to see the fair. All judges will be accredited AHS judges and all blooms will be judged on the basis that they are winter blooms. All the judges have been specially selected with this in mind. Don't leave a bloom at home because you think it does not look like the one you had last summer.

We are hoping to have the biggest and best winter show ever, so come out and take part. See you at the fair.

BOARD MEETING

The quarterly Board meeting will be held at the Causeway Inn in Tampa on February 17 and 18th. Mr. DeScala, manager of the inn had promised to make your stay the most pleasant ever and the complete facilities of the Inn will be at your disposal. They have station wagons for the convenience of the guests, so if you do not wish to drive anywhere, just tell the driver where you want to go. Pets are allowed, so if you do not want to leave your pet at home bring him with you. There is plenty of parking too. For those who are F.N.G.A. members, this may be the site of the 1963 Trade Meet, so look it over and see how well you will be treated.
